The SMD Component Counter enables quick setup and changeover. Whether counting out a full reel or a specific quantity of parts, the double-check feature ensures accuracy. Additionally, the E-801E is fast, capable of processing an entire reel of components in just ninety seconds, including double-checking the count. Our advanced technology ensures a low noise during machine running. With English on the screen interface, the SMD component counting machine is easy to read and operate.

Specs:

Model: E-801E

Voltage: AC220V/AC100V 50/60HZ

Counting Range: -99999_99999PCS

Machine Size: LxWxH=780x350x200mm

Machine Weight: 10-11kg

Component pitch: 1,2,4,8,10,12,16,24,32,44,56mm etc.

SMD Component Counter

Advantage:

Easy to operate. Operation interface in English.

CE Certified. Meet EHS requirement.

Features:

➢ Speed adjustment. Easy to adjust by yourself.

➢ 2 working direction available. Can do counting from left to right or from right to left.

➢ Auto checking.

➢ Auto stopping.
