

The SMD Reel counter enables quick setup and changeover. Whether counting out a full reel or a specific quantity of parts, the double-check feature ensures accuracy. Additionally, the E-881V is smart, capable of giving out a voice notice when task is finished. Our advanced technology ensures a low noise during machine running. Besides, it automatically stops working when the last component is counted. With English on the screen interface, the SMD component counting machine is easy to read and operate.

Specs:

Model: E-881V

Voltage: AC220V/AC100V 50/60HZ

Rated power: 80W

Counting Range: -16777216_16777216PCS

Machine Size: LxWxH=730x230x270mm

Machine Weight: 10-11kg

Component pitch: 1,2,4,8,10,12,16,24,32,44,56mm etc.

SMD Reel counter E-881V

Advantage:

Easy to operate. Operation interface in English.

CE Certified. Meet EHS requirement.

Features:

- Speed adjustment. Easy to adjust by yourself.
- 2 working direction available. Can do counting from left to right or from right to left.
- Auto checking.
- Auto stopping.
